The Mustang Owners Club of Southeastern Michigan (MOCSEM) was formed in 1975 with a mission to preserve, maintain, and enjoy all years of the Ford Mustang. Through the proceeds of our annual "Mustang Memories" Car Show, we are able to support both our club and local charities. Last year over \$6500 was donated to The American Cancer Society, Children's Hospital of Michigan, Juvenile Diabetes Research Foundation, The Leukemia and Lymphoma Society, The American Heart Association, The Humane Society of Monroe County, Salvation Army, Angela Hospice, and Toys for Tots.

2010 is a special year for MOCSEM as our show moves to the Ford World Headquarters in Dearborn on Sunday August 8th 2010. We will be celebrating our 35th anniversary. The show layout is being revamped this year to provide a sponsor midway in the high-traffic area of the show parking lot.
