

SCHOLARSHIP APPLICATION

Please complete this application and send to the address below. Failure to include all required information and documentation will eliminate your application for consideration.

The purpose of this annual scholarship is to provide financial funds to be used for college/university/trade school training. (Some trade schools do not have a traditional GPA, in this case we would require documentation from trade school showing the success of the student).

Name (Please print) _____

Address _____ City _____ Zip _____

Home phone # _____ Cell phone # _____

Email Address _____

Name of MOCSEM member _____
